I'm a Computer Science student from CTAE,Udaipur.I have done my B.Tech in 2022 with Aggregate GPA 7.63. I am always energetic and eager to learn new skills.Also I am able to handle multiple tasks on a daily basis.

WORK EXPERIENCE

Chegg (January 01, 2020 - Present)

Solving International questions

Chegg is an online platform .It is best way to learn new things from a particular field of interest and also can earn. This is best path to communicate with many people's around the World according to query given by head. Its changes my attitude towards my life and for new company.
